

## **Career College Sexual Violence Policy**

### **1. Sexual Violence Policy**

- (a) Alpha Transport Training Centre is committed to providing its students with an educational environment free from sexual violence and treating its students who report incidents of sexual violence with dignity and respect.
- (b) Alpha Transport Training Centre has adopted this Sexual Violence Policy, which defines sexual violence and outlines its training, reporting, investigative, and disciplinary responses to complaints of sexual violence made by its students that have occurred on its campus, or at one of its events and involve its students.
- (c) The person accused of engaging in sexual violence will be referred to as the “Respondent” and the person making the allegation as the “Complainant”.

### **2. Definition of Sexual Violence**

Sexual violence means any sexual act or act targeting a person’s sexuality, gender identity or gender expression, whether the act is physical or psychological in nature, that is committed, threatened or attempted against a person without the person’s consent, and includes sexual assault, sexual harassment, stalking, indecent exposure, voyeurism and sexual exploitation.

### **3. Training, Reporting and Responding to Sexual Violence**

- (a) Alpha Transport Training Centre will include a copy of the Sexual Violence Policy in every contract made between it and its students, and provide a copy of the Sexual Violence Policy to career college management (corporate directors, controlling shareholders, owners, partners, other persons who manage or direct the career college’s affairs, and their agents), instructors, staff, other employees and contractors and train them about the policy and its processes of reporting, investigating and responding to complaints of sexual violence involving its students. \*Any company participating in offering student internships on their premises must provide an undertaking in writing that it is in compliance with all applicable legislation, including the Ontario Human Rights Code and the Occupational Health and Safety Act and will provide students access to those policies should they encounter issues relating to sexual violence in the workplace.
- (b) The Sexual Violence Policy shall be published on its website (or where the Career College does not have a website in a conspicuous location on each of its campuses). Career college management, instructors, staff, other employees and contractors of Alpha Transport Training Centre will report incidents of or complaints of sexual violence to Kanwarjeet Kaur at Alpha Transport Training Centre (416-747-9191) upon becoming aware of them.
- (c) Students who have been affected by sexual violence or who need information about support services should contact Kanwarjeet Kaur at Alpha Transport Training Centre (416-747-9191)
- (d) Subject to Section 4 below, to the extent it is possible, Alpha Transport Training Centre will attempt to keep all personal information of persons involved in the investigation confidential except in those circumstances where it believes an individual is at imminent risk of self-harm, or of harming another, or there are reasonable grounds to believe that others on its campus or the broader community are at risk. This will be done by:
  - (i) ensuring that all complaints/reports and information gathered as a result of the complaint/reports will be only available to those who need to know for purposes of investigation, implementing safety measures and other circumstances that arise from any given case; and
  - (ii) ensuring that the documentation is kept in a separate file from that of the

Complainant/Student or the Respondent.

- (e) Alpha Transport Training Centre recognizes the right of the Complainant not to report an incident of or make a complaint about sexual violence or not request an investigation and not to participate in any investigation that may occur.
- (f) Notwithstanding (e) above, in certain circumstances, Alpha Transport Training Centre may be required by law or its internal policies to initiate an internal investigation and/or inform police without the complainant's consent if it believes the safety of members of its campus or the broader community is at risk.
- (g) In all cases, including (e & f) above and (h) below, Alpha Transport Training Centre will appropriately accommodate the needs of its students who are affected by sexual violence. Students seeking accommodation should contact Kanwarjeet Kaur at 416-747-9191. Students are not required to report incidences in order to request accommodation or access to support services.
- (h) In this regard, Alpha Transport Training Centre will assist students who have experienced sexual violence in obtaining counselling and medical care, and provide them with information about sexual violence supports and services available in the community as set out in Appendix 1 attached hereto. Students are not required to file a formal complaint in order to access supports and services.
- (i) If students, in good faith, report an incident of, or make a complaint about, sexual violence, they will not be subject to discipline or sanctions for violations of the private career college's policies relating to drug or alcohol use at the time the alleged sexual violence occurred.
- (j) Students who disclose their experience of sexual violence through reporting an incident of, making a complaint about, or accessing supports and services for sexual violence, will not be asked irrelevant questions during the investigation process by the private career college's staff or investigators, including irrelevant questions relating to the student's sexual expression or past sexual history.

#### **4. Investigating Reports of Sexual Violence**

- (a) Under this Sexual Violence Policy, any student of Alpha Transport Training Centre may file a report of an incident or a complaint to Kanwarjeet Kaur in writing.
- (b) Upon receipt of a report of an incident or a complaint of alleged sexual violence being made, Kanwarjeet Kaur will respond promptly and: determine whether an investigation should proceed and if the Complainant wishes to participate in an investigation;
  - (i) determine who should conduct the investigation having regard to the seriousness of the allegation and the parties involved;
  - (ii) determine whether the incident should be referred immediately to the police;In such cases or where civil proceedings are commenced in respect of allegations of sexual violence, Alpha Transport Training Centre may conduct its own independent investigation and make its own determination in accordance with its own policies and procedures; and
- (c) determine what interim measures ought to be put in place pending the investigation process such as removal of the Respondent or seeking alternate methods of providing necessary course studies.
- (d) Once an investigation is initiated, the following will occur:
  - (i) the Complainant and the Respondent will be advised that they may ask another person to be present throughout the investigation;

  - (iii) informing and interviewing the Respondent of the complaint, providing details of the allegations and giving the Respondent an opportunity to respond to those allegations and to provide any witnesses the Respondent feels are essential to the investigation;
  - (iv) interviewing any person involved or who has, or may have, knowledge of the incident and any identified witnesses;
  - (v) providing reasonable updates to the Complainant and the Respondent about the status of the investigation; and
  - (vi) following the investigation, Kanwarjeet Kaur will:
    - (A) review all of the evidence collected during the investigation;

- (B) determine whether sexual violence occurred; and if so
